## Getting Started Is Very Easy

Call us to schedule a free, no-obligation evaluation for services.

### Steps:

1. An admission nurse will schedule a visit to better understand your needs.
2. We will work with your primary physician to develop a Plan of care.
3. CareGivers are screened for the skills and personality to meet your needs.
4. Begin providing quality services according to your Plan of Care.

## Payment Options

To help you understand your payment options, we will briefly list a few of the approaches available.

**Medicaid**– Many of our home care services are covered by NC Medicaid, including Personal Care Services (PCS), Community Alternative Program (CAP)

**Insurance**– Contact your agent to verify your policy includes home care coverage or long term care coverage. We provide direct billing to your insurance company.

**Private Pay**– Private rates are very reasonable. Call us for a no obligation quotes over the telephone or request a writing quote via the website or email.
